INOX®

Part of Home. Worldwide

INOX, Established in the year 2000 in India with the introduction of the kitchen accessories. Our reputation for incomparable quality products is well established across the continent. After specializing in kitchen accessories, INOX introduced stimulating and practical ideas of space management for wardrobes and bathrooms ,which have now, become an integral part of every home.

In homes, the kitchens &wardrobes are the indicator of good taste, and therefore deserves fittings that offer form, fashion and function. Every product supplied by INOX is created to be of highest standard of craftsmanship and using only the best materials.

An ISO 9001 : 2008 Certified Company, Establishing itself as an international brand, INOX has spread its network all across continent with its operations in Taiwan, USA, PRC and with over 810 channel partners across India. INOX has changed the tableau of kitchen and hardware fittings in the world, with over 2700 products to choose from at the most competitive prices.

At INOX, our non compromising attitude towards quality standards whether in materials, form, function and desire for innovative and new designs has build the competence and trust in the international markets today.

With our network of dealers and distributors and our ambitious plans for expansion, we are dedicated to deliver excellence in quality products, services and satisfaction. It is hence imperative on our part to always take a proactive stance in the direction of strengthening our relationship and forging ahead towards excellence.

I would like to thank all those who have made this possible, including our employees, suppliers, customers , bankers and of course our dear channel partners, for your consistent Support.
